Twin Lakes Vision Statement

To help promote the game of golf by offering a challenging and beautiful course and other complementary facilities that are affordable, inclusive, and inviting. Provide a thriving comprehensive recreational and social venue offering its members, guests, and community partners exceptional experiences to play, relax and socialize in a tranquil and peaceful environment.

Club President

Hello Everyone,

June-uary is here and the weather is a mixed bag of surprises. Both invitationals went well and the guests seem pleased with how well the course is playing and the friendly welcoming from the owner/members and staff. Everyone has put their collective best foot forward to make this a memorable golf and swim season. Please take care of your guests and the course as we really start ramping up the golf season. Be mindful of the one-way golf paths from the driving range and coming down 3 tee hill. And if your guests need to spruce up their attire, the Pro Shop is stocked with golf appropriate attire.

We also have some owners/members that are struggling with their health. I am holding good thoughts and prayers for their speedy recovery. We want to see them back around the club as soon as possible.

And one last fun item, a golf haiku.

Cheerful summer begins

golf is played

Relax oneself and enjoy

Cheers everyone.

I know Memorial Day has passed, but I wanted to take this time to remember the sacrifice that so many armed service members made. To them and their family – their loss can never be replaced and everyone that benefits from the freedom that they help provide should take time everyday to think of them.

Our club is growing and the excitement in the air is explosive. I would encourage everyone to take this opportunity to get out there and meet some of our new members. We are also seeing growth in the social membership as well. With more restrictions being lifted and the community becoming safer, I would like to see the club filled with enthusiasm. IF you have not been around the club, come out & see us.

We have brought back **Steak Night** and with the addition of **Burger & Beer night**, there are great opportunities to try some new items. We will also be launching a new fresh sheet – items that are not on the menu and they will be unique.

Cole & the golf shop staff have the golf shop full of merchandise – do not see something you want; we can order just about anything. Just a reminder to all players that the tee sheet is filling up, but there are **still great times during the day that the course is less than 20% full**. Come out and enjoy those times. On our website, under the member only section, you will see a report of the busy times so you can plan appropriately.

Megan & staff have been working hard to keep up with the growth in the club. Finding employees right now is a little difficult. We are asking for a little patience as we try to fill a few positions to help us bring up the level of membership service. We do have a new receptionist, Hanah, will be in the lobby on Tuesday – Friday 9-4 to help you with questions.

The **pool will be open this year**, so keep in mind when you are driving thru the parking lot to keep an eye out for kids. It is great to see the club getting back to normal business, but we just want to keep everyone safe as possible and speeding thru the parking lot is dangerous.

I am looking forward to a great summer with lots of exciting activities. Twin Lakes Golf & Country Club is the place to join in the area the recent growth just confirms this. This club does not function without the help of **so many volunteers and committees working together** to help bring everything together. If you wish to join one of these committees, please let me know.

Do not forget to open your emails and go to the website for more exciting news and upcoming events. This really helps keep you informed and will help you plan for months to come. If you are looking for space to rent for any private events, like birthdays, anniversaries, or a wedding please send your inquiries to Kendyl Raab, Banquet Manager. kraab@twinlakesgolf.net

Starting June 1st – a new membership promotion started. Initiation fee is back in place and an upgraded referral program. Information will be coming out in the next couple of days to show the whole program. The old membership program was so effective, the club is about a

year ahead of schedule. Thank you for all those members that referred a new member, keep them coming. We have approximately 16 proprietary memberships left before we are full.

As an Owner-Member the club does need your help!!!!

Golf Course Maintenance

1. Please fix your ball marks on the greens
2. Please repair or fill your divots with sand & seed.
3. Rake the sand traps.
4. Put garbage in the trash bins.
5. Keep Carts on the cart paths around tees and greens.

One of the strongest selling point in joining any country club is TIME. Time is valuable, and we would like to keep the pace of play enjoyable. There are a lot of ways to keep play moving and still have fun.

1. Keep up with the group in front of you.
2. Play ready golf. (along as you can stay safe)
3. Putt out if possible.
4. Limit your time at the turn to 5 minutes.
 - a) There is a menu on the #8 tee box. We encourage you to call in to have your food or drink order ready at the turn.

The surest way to get to the Club House from 18 is to use the tunnel under 320th. Remember to follow the signs as the cart path on 3 tee box is a one way down and 9 fair way, at the end of the brook, is a one way up to the Club House. If you are crossing 320th street, please use the crosswalk and push the button to alert traffic.

Some great upcoming events

Martini & Jazz – June 18th

Happy Golf Season! The weather has been wonderful and so many of you were able to enjoy it this May! We had a record number of rounds played in May and we are off to a great start in June.

I will start by covering the events we had in May and then go over what we have in June! We started May off with the Spring 2 Man, with Rich Price and Bryce Landrud winning the Gross side and Mike McGuire and Jim Dorrough winning the Net side! The Women's Captains Cup and Women's President Cup had great turn out with In Sook Woo winning the Presidents Cup and the Captains cup still on going. We also had our Memorial Day Couples Scramble with the team of Dzubay/Dzubay/Haskins/Mcbroom/Erickson/Bales as our winner! We also had a great turn out for every Wednesday and Saturday in May for the Men's Division. Our PGA Junior Team has had three matches, they have not won yet, but have improved the team score in every match! Great job to all the golfers that have come out and competed this may!

We also had our **Twin Lakes Women's Invitational in May**. They had an awesome turnout of 72 players and a couple of Guest Teams won Gross and Net but our Women had a great showing and truly showcased Twin Lakes!

In June, we currently have our **Men's Invitational** going on right now! It has been a great event. Our **Junior League** team has a match here on the 12th against Fircrest. We also have the sign up open for the **Men's Presidents Cup!** The **Tombstone tournament** will be held on the 19th and the **Cross Country Horse Race** on the 23rd.

For our **Juniors**, we will have a parent orientation on June 12th and June 16th to go over our revamped Junior Golf Program. You must attend one meeting for your child or Grandchild to participate.

The Golf Shop is fully stocked with great product. We have a great selection of Women's and Men's apparel and a great range of Hard Goods to help you shoot your best scores.

With the amount of play the golf course is receiving, it is vital to keep up with sanding divots, raking bunkers and fixing ball marks. Our staff has worked extremely hard to get the course in

Head Golf Professional

great shape and mother nature has really helped this spring so let's all do our part to keep it that way!

I covered this last month but wanted to straight copy and paste it into this month because it is so important. With the sheets getting busier and busier we need to help each other out here. If you booked a tee time and are not going to play, no worries, but someone else might want to play in that spot! **Please try to cancel your tee times the night before if you are not going to play**, or at least the morning off. We are more than happy to take your calls in the golf shop. This will give every member a fair and equal chance to enjoy our golf course. If you can, please try to add all the names of players into your tee time on Tee Snap. If you do not know how or do not want to go online, give the shop a call! We are here to help! This will also ensure we have all your stuff ready for you and know who to expect is coming on out! If we all do our part on these things, this will make for a great summer of golf!

As always, please reach out with any questions you might have! We are here to help you out. Let's have a great Summer and hope the sun sticks around!
